

A Look at May and June

We are coming into the home stretch of our school year, and have lots of fun activities lined up.

On May 9th, we will meet at Brookside Museum for **Sheep to Shawl**. We will walk back to school...weather permitting.

We have our Mother's Day teas, a visit from State Farm Good Neigh Bear, and a Bike Rodeo. We will be marching in the Memorial Day parade, and celebrate Father's Day with dessert with Dad. We end the school year with Field Day, organized by our Parent
